AT THE HOTEL MONTREAL WE PAY TRIBUTE TO OUR MOST LOYAL CUSTOMERS.

We are developing a new initiative, “25 Years of Holidays in Benicàssim”

with which we intend to THANK and REWARD the loyalty of our clients.

We are a Family Hotel focused on customer service and attention as a fundamental axis.

The satisfaction of our guests is our priority and the demonstrations of loyalty towards the Hotel are the best recognition we can receive.

“25 Years of Holidays in Benicàssim” is intended to be our most sincere thanks.

We want to give back to our most loyal guests the affection they have shown to our Hotel and to all of us who work there over all these years.

We have a very important customer loyalty that entrusts us with their holidays year after year.

We prepare an event for them in which we give them a commemorative plaque and various gifts to show that they belong to a second Family, that of the Hotel Montreal, with those special feelings of the best memories of their vacations.

They will be classified as CLUB 25 CLIENTS, offering them various special service conditions for their future stays at the Hotel.

PET-FRIENDLY ACCOMMODATION AT THE HOTEL MONTREAL

At Hotel Montreal we know the importance of travelling with our dogs. But it is necessary to have some basic rules of coexistence and good education, as long as these are respected the holiday experience will be unforgettable.

We must take into consideration the other guests at the hotel and remember that there are other people who are not exactly fascinated by pets.

OUR RULES OF COEXISTENCE:

Reservations with pets will only be accepted upon request and confirmation by the Hotel.

The owner must bring the pet's usual resting area and food and drink containers.

Accommodation for your pet has a supplement.

Pets must remain on a short leash when passing through the common and permitted areas of the Hotel. Pets are not permitted in the restaurant, pool and common areas.

The client must remove the pet from the room when it is cleaned.

For everyone's safety, your pet should never be left alone in the room. If you have to leave, always leave it in its carrier so that the Housekeeping or Maintenance Service can access your room without any complications. If your dog is left alone, place the sign **PET IN ROOM** on the door handle of your room, which you will be given at Reception.

The hotel reserves the right to cancel daily cleaning or maintenance of your room and declines any liability arising from failure to comply with this rule.

It is not permitted to bathe your pet in the bathroom of the room and to use the hotel towels to dry it.

Do not use utensils in your room or at the hotel to feed or drink your pet.

For hygiene reasons, your dog should not sleep on the bed(s).

The owner is responsible for taking care of his pet's physiological needs at all times.

The supplement for pet accommodation does not include possible damage caused to third parties, furniture or property of the Hotel, so if this occurs, the owner will be responsible for the cost of this damage. The amount of damage caused during the stay will be charged to the final invoice for the stay. It is advisable to have insurance.

The Hotel Montreal reserves the right to refuse to accept pets that cause disturbance to other guests or exhibit inappropriate behaviour.

At all times, the client is responsible for his/her pet and its behavior, exempting the Hotel from all liability.

Please be kind to other customers who may be allergic or bothered by the presence of your pet.

If your stay coincides with that of a guest with phobias, fear, allergies, etc., please do everything possible to ensure that your animal does not cause them any discomfort. The comfort of all our guests is considered essential at our Hotel.

We have a terrace exclusively for you to enjoy the company of your pet.

OUR TIPS:

A well-behaved dog is a perfect travel companion, but even if you trust him completely, keep in mind that you are taking him out of his usual environment and he may react in unpredictable ways.

Don't forget your pet's documentation. It is recommended that you carry an identification tag with your mobile phone in case of loss.

Please remember to bring bags for collecting waste.

When you arrive at the hotel, it is advisable to walk your pet and let him do his business. It is a strange place for your pet.

Dogs like to mark their territory, so please do not allow them to do so in the entrance or in the room, as this will help make your stay more pleasant.

We appreciate your compliance with these rules and hope that both you and your pet have a pleasant stay at our hotel.

BATHROOM FOR PEOPLE WITH OSTOMIZATION

AT THE MONTREAL HOTEL IN BENICÀSSIM WE HAVE INSTALLED A TOILET FOR PEOPLE WITH OSTOMIZATION

Our Social Commitment includes a commitment to support people with Ostomies, a solidarity and necessary commitment to give visibility and for society to know and understand that their understanding is important for the daily life of these people, with this we intend to help improve their quality of life and contribute our grain of sand by installing an adapted toilet that allows accessibility for people with Ostomies to a dignified facility and environment. "We believe that it is not worthy to enter a bath on your knees"

Únicamente las personas ostomizadas saben lo complicado que resulta vaciar o cambiar una bolsa de ostomía en un Aseo NO adaptado para ello.

Ni los Aseos convencionales, ni los adaptados a movilidad reducida son funcionales para el vaciado de una bolsa de ostomía.

Donde hay un baño convencional, las personas ostomizadas también necesitan su baño adaptado. Los baños para las personas ostomizadas entendemos que hoy en día son una necesidad.

El Baño instalado en el Hotel Montreal es una solución de higiene y aseo personal que da respuesta a las desatendidas necesidades de las personas ostomizadas. Ideada, prototipada y desarrollada por los responsables de Mobles MTB y Blanco y Nodar S.L. -OSTOBAÑOS- Incluye un mueble con encimera de un novedoso material mineral compacto de última generación (Solid Surface de Porcelanosa, integrado por minerales naturales y resinas de gran resistencia, no poroso, antibacteriano y antifúngico), inodoro para el vertido de fecales, grifo monomando independiente, teleducha, colgador para bolsos, jabonera, portarrollos, espejo, etc.

With the installation of this toilet, the Hotel Montreal in Benicàssim becomes possibly the first hotel in the Valencian Community and one of the first in Spain to have a toilet adapted for people with ostomies.

Con Ostomía Vivo.

Hay Vida Después de la Ostomía.

Cuando la vida cambia y se presenta más difícil, tú tienes el poder de cambiar y hacerte más fuerte. La Ostomía NO define tu vida; "Tu Actitud y Determinación SI que lo hacen".
